## 70<sup>th</sup> Annual Vincent Family Reunion and Picnic

By Mike Vincent Sec.-Treas.

On Saturday, August 16<sup>th</sup> 2003 our 70<sup>th</sup> Annual Vincent Family Association Reunion and Picnic was held at Taconic State Park in Copake falls, N.Y. It was a beautiful warm and sunny morning. Bob and Nicolette Booream arrived early and again did their outstanding job of cleaning the pavilion area for all of us to enjoy. **Thanks** to them we were able to enjoy our picnic even more.

Around 10:00 o'clock our first guests started to arrive. By 11:30 more than 30 folks had arrived bringing with them many different items for all of us to enjoy. There were pastries, salads, sandwiches and watermelon and much more to enjoy with the barbecue.

We had a total of 32 attendees and there were a lot of new faces this year. Unfortunately, our President Sheridan Vincent could not attend this year. His father Cecil had taken ill and was in the hospital and Sheridan felt it wouldn't be wise to travel the five or more hours to get there and be so far from home under the circumstances. Everyone missed him and we hope everything turned out OK for his Dad. We all look forward to seeing him next year. Also our past president Bill Vincent came but had to leave early because of a back problem. **Bill had surgery** on his back a few weeks later and is doing **much better**, I am happy to report.

At our business meeting nominations were opened for our two officer positions and Sheridan and I were nominated

for our respective positions as President and Secretary-Treasurer. The group unanimously elected us again to serve for another two years.

As is our custom we asked the group to introduce themselves and tell us a little about themselves. It was very interesting because we had a lot of new faces this year as well as familiar ones.

I gave the financial picture for this past year. Our account balance was \$536.36 after expenses for the picnic. I asked for permission from the group to make small donations on our behalf to family members or friends who were active in our association who have passed away and for in the future if the need arises. It was passed unanimously.

We had a pass the cup for donations and the total amount received for the day in donations and for newsletter donations totaled \$192.00. **Thank You to everyone who contributed.**

I hope that everyone had a good time and enjoyed him or herself. The picnic began to break up around 2:00 o'clock and the sky was getting threatening. I know I ran into a thunderstorm and downpour on my way back to Pittsfield. I hope everyone arrived home safe.

This year's reunion was a success in my opinion and I hope next year will be even better. Remember to keep the date in mind for next year. **Saturday, August 21, 2004.**

**Hope to see you there!**

## From the Editors Desk

A first snowfall here today makes it easier to think back on the summer and the Vincent family reunions that took place. Thanks to Judy Barnes, Judy Hultgren, Tom Vincent and Mike Vincent for passing along nice summaries of the festivities. Four separate events occurred and by all accounts everyone had a fine time.

As Mike mentioned, I was not able to attend reunion in Copake Falls, my Dad was hospitalized on August 14, the day of the big black-out here on the east coast. Following a couple of months of hospitalization he is now comfortably situated at Shore Winds, a nursing home here in Rochester very close to Lake Ontario. We see him daily and he has been making a good bit of progress in the last few weeks.

There are several other items that would have been included in this edition of the Vincent Tin Horn, but will have to wait until the next issue for lack of space.

Judy Barnes passed along a note that she was excited about a trip she is making to attend the Wright Brothers First Flight Centennial Celebration on North Carolina's Outer Banks. She will be there on December 17, 2003 to witness the reenactment of the 1903 Wright Brothers Flight. Recent genealogy information she has contributed will be included in an upcoming issue.

With apologies for the delay in this issue I am hoping that things get closer to normal so that we can see the next issue early in 2004. Please pass along any family news so we can include it
