75th Annual Vincent Family Association Reunion and Picnic on August 16, 2008

By Michael Vincent, Secretary-Treasurer

Saturday, August 16th, 2008 the 75th Vincent Family Association held the annual picnic and reunion at Taconic State Park in Copake Falls, NY. The weather was sunny and for most of the morning it was a perfect day. Around noon claps of thunder could be heard out in the distance. As the sky darkened somewhat around 1:00 pm. it started to rain. It was a very light rain with no wind so it really wasn't anymore than a nuisance. When it ended the sun came out and it was once again a beautiful day.

Thanks to Bob Booream for showing up early to check the pavilion out. Folks started to arrive about 10:15. The dishes that were brought were enjoyed by everyone. David and Elizabeth Vincent brought their party grinder which I have to say seemed to be more delicious than normal. Gerry Shaefer brought sausage, peppers and onions that was tremendous. Other dishes that were brought were just as outstanding. Many of them I had lost track of who brought them. The macaroni salad that was there was equally fantastic although the creator is unknown. Deserts and treats were also great! Thank to everyone who contributed.

At the family business meeting the first order of business was to elect officers for the coming year. Bill Vincent conducted the nominations and election. Sheridan was re-elected as President and Mike Vincent was re-elected Sec.-

Treas. Mike talked about our association's fund and a detailed breakdown is printed in this newsletter. Sheridan spoke about his work on the next edition of the Vincent Family. He is still adding information. He also talked about the DNA study that he is participating in with Don Vincent. Don was not able to attend this year because of a calling to a new ministry in Colorado. We wish him all the best on his endeavor. Sheridan will be putting more information in the newsletter. Barbara Knickerbocker Beskind came from New Hampshire. She brought copies of the two books she has written that are available for sale. Further information is located in this newsletter.

Some familiar faces were missing this year. Les Harris and his wife Virginia were unable to attend because of some physical problems. We all hope that they will be in better health in the future. Marie Vincent of Florida brought a vintage picture of some her family members as well as Bob Vincent of Lenox, MA. We also had a couple of new faces. There were grandchildren and children who attended for the first time. Next year I hope we will have more family members and friends in attendance. Until then Sheridan and I want to wish all our family members and friends who were in attendance and those who are not able to attend a safe and healthy year until we meet again next year.

Sincerely,
Mike

See you there!**

From the Sheridan's Desk

I was pleased a couple months back to be contacted by Ruth and Gordon Nichols, who happen to live just a stones throw away. Ruth had a very good start on the family of Thomas William Vincent (VF#561) and Abigail Jane Rockwell. Gordon had scanned numerous Vincent family photographs from an old family album that had many Vincents. Combining our information we have produced a much more complete history of this branch of the family. I am especially pleased when we can accumulate the photographic images of the people in the family. I am planning on pulling it together into a booklet that will include both the genealogy and the more numerous photos from the family photo album. We have included a good part of the family history related to the Vincent names in this edition of the newsletter in addition to select photographs.

I talked with Mike Vincent the other day and with such a swift passage of time we are well on our way to another summer family reunion picnic. The time sneaks up on me also to keep up with getting issues together for our *Vincent Tin Horn Newsletter*. Special thanks to contributors: Mike Vincent for the articles on describing last year's 75th Anniversary Reunion. He gives us a nice description of the day to remind us of the time and share it with those who were not able to attend. Thanks also to Jean German for the obituary for Dorothy Vincent. Gary Vincent passed along an obituary for another Gary Vincent who lived in St. John, New Brunswick. Gary mentioned that he grew up about 6 miles from the other Gary Vincent, but that they never met. Bill Vincent sent the photo of the wonderful Billboard that featured Mike's wife Carole Vincent, who is employed as a nurse at the Fairview Commons Nursing & Rehabilitation Center, Great Barrington, MA. I did loose a whole bunch of email messages the end of last year, so if you sent me other materials, I apologize for not being able to share it in the newsletter.

Not much to report on the Vincent DNA front. I did sign up for one more level of testing to make additional sorting on the DNA classifications. Results are due soon, so maybe there will be more to learn and we can pass this along to Donald G. Vincent, who is coordinating aspects of the study.

Mike Vincent got a very nice letter back from the Local History and Genealogical Department, The Berkshire Athenaeum in Pittsfield, MA after he donated a copy of our *Vincent Family* book "the Berkshire Athenaeum acknowledges with many thanks the kind gift of The Vincent Family, on behalf of the Vincent Family Association to the Local History Department of this library. We are delighted to be able to add this book to the Collection and will ensure that there is a gift plate in memory of Merton J. Vincent. Most certainly, your efforts and generosity will benefit many future researchers who visit the Berkshire Athenaeum." Thanks Mike for making the fine donation for us!

I hope to get another issue of the *Vincent Tin Horn* out in July in time to catch up with any other family information. PLEASE, pass along any items that you think might be of interest to our Vincent Family.

Change of Address

Each time we mail out a new edition of *The Vincent Tin Horn*, several of them are returned because of a change of address. Sometimes the post office includes the forwarding address. But, often, they are returned without a forwarding address and we lose another cousin from our mailing list. If you have or are planning to move, please let Sheridan Vincent, know so that we can update the mailing list.
